WAYS TO BREAK DOWN THE 17 HOURS OF CONTENT

For just 60 minutes/week you can tackle the entire course over the course of 17 weeks.

Request 2 PD days from your employer to spend the time dedicated to starting and completing the course.

Set aside one weekend to tackle the course from beginning to end.

Every night for 2.5 hours for one week.

5 hours a month for 4 months will get you through the entire course & give you time to review the content if desired.
